Summary Section

TorrayResolute Small/Mid Cap Growth Fund

Investment Objective

The TorrayResolute Small/Mid Cap Growth Fund (the “Fund”) seeks long-term capital appreciation.

Fees and Expenses of the Fund

This table describes the fees and expenses that you may pay if you buy and hold shares of the Fund.

Shareholder Fees <i>(fees paid directly from your investment)</i>	Investor Class	Institutional Class
Maximum Sales Charge (Load) Imposed on Purchases	None	None

Annual Fund Operating Expenses <i>(expenses that you pay each year as a percentage of the value of your investment)</i>	Investor Class	Institutional Class
Management Fees	0.80%	0.80%
Distribution and Service (Rule 12b-1) Fees	0.25%	0.00%
Shareholder Servicing Plan Fees ⁽¹⁾	0.00%	0.00%
Other Expenses	0.95%	0.99%
Acquired Fund Fees and Expenses	<u>0.01%</u>	<u>0.01%</u>
Total Annual Fund Operating Expenses ⁽²⁾	2.01%	1.80%
Less: Fee Waiver and Expense Reimbursement ⁽³⁾	<u>(0.75)%</u>	<u>(0.79)%</u>
Total Annual Fund Operating Expenses After Fee Waiver and Expense Reimbursement ⁽²⁾⁽³⁾	<u>1.26%</u>	<u>1.01%</u>

(1) Torray LLC (the “Adviser”) has determined that the Fund will not incur any Shareholder Servicing Plan fees through at least April 30, 2018.

(2) Total Annual Fund Operating Expenses do not correlate to the Ratio of Expenses to Average Net Assets included in the “Financial Highlights” section of the Prospectus, which reflects the operating expenses of the Fund and does not include indirect expenses such as acquired fund fees and expenses (“AFFE”).

(3) The Adviser has contractually agreed to waive its management fees and pay Fund expenses in order to ensure that Total Annual Fund Operating Expenses (excluding Rule 12b-1 fees, Shareholder Servicing Plan fees, AFFE, leverage/borrowing interest, interest expense, taxes, brokerage commissions, and extraordinary expenses) do not exceed 1.00% of the average daily net assets of the Fund. Fees waived and expenses paid by the Adviser may be recouped by the Adviser for a period of thirty-six months following the month during which such fee waiver and expense payment was made, if such recoupment can be achieved without exceeding the expense limit in effect at the time the fee waiver and expense payment occurred and the expense limit in place at the time of recoupment. The Operating Expenses Limitation Agreement will be in effect and cannot be terminated through April 30, 2026. Thereafter, the agreement may be terminated at any time upon 60 days’ written notice by the Trust’s Board of Trustees (the “Board”) or the Adviser, with the consent of the Board.

Example

This Example is intended to help you compare the costs of investing in the Fund with the cost of investing in other mutual funds. The Example assumes that you invest \$10,000 in the Fund for the time periods indicated and then redeem all of your shares at the end of those periods. The Example also assumes that your investment has a 5% return each year and that the Fund’s operating expenses remain the same (taking into account the expense limitation through April 30, 2026). Although your actual costs may be higher or lower, based on these assumptions, your costs would be:

	<u>One Year</u>	<u>Three Years</u>	<u>Five Years</u>	<u>Ten Years</u>
Investor Class	\$128	\$400	\$692	\$1,628
Institutional Class	\$103	\$322	\$558	\$1,350

Portfolio Turnover

The Fund pays transaction costs, such as commissions, when it buys and sells securities (or “turns over” its portfolio). A higher portfolio turnover rate may indicate higher transaction costs and may result in higher taxes when Fund shares are held in a taxable account. These costs, which are not reflected in the annual fund operating expenses or in the Example, affect the Fund’s performance. During the most recent fiscal year, the Fund’s portfolio turnover rate was 40% of the average value of its portfolio.

Principal Investment Strategies

The Fund invests at least 80% of its net assets, plus any borrowings for investment purposes, in common stocks of small and mid-capitalization companies organized in the United States that the Adviser believes should generate excess returns, as compared to the Russell 2500TM Growth Index, with below-market risk over time, namely companies with superior operating and financial characteristics and proven records of increasing earnings on a consistent and sustainable basis.

The Fund typically invests in a portfolio of 25 to 30 small and mid-capitalization stocks with a long-term orientation and a quality focus. The Fund considers a company to be a small or mid-capitalization company if it has a market capitalization, at the time of purchase, within the capitalization range of the Russell 2500TM Growth Index. The market capitalizations within the Index vary, but as of March 31, 2017 they ranged from approximately \$9.3 million to \$24.2 billion. Although the Fund will invest primarily in the common stocks of U.S. companies, the Fund may invest up to 15% of its assets in common stocks of foreign companies that are organized and headquartered in countries classified as “developed” by MSCI. As of December 31, 2016, the following foreign countries were classified as “developed” by MSCI: Australia, Austria, Belgium, Canada, Denmark, Finland, France, Germany, Hong Kong, Ireland, Israel, Italy, Japan, Netherlands, New Zealand, Norway, Portugal, Singapore, Spain, Sweden, Switzerland, and the UK. As a part of its investment in foreign companies, the Fund may also invest in American Depositary Receipts (“ADRs”), which are dollar-denominated negotiable certificates issued by a U.S. Bank representing a specified number of shares in a foreign stock that is traded on a U.S. exchange, with the underlying security held by a U.S. financial institution overseas.

In considering whether to invest in the securities of a foreign company, the Adviser considers such factors as the characteristics of the particular company, differences between economic trends and the performance of securities markets within the U.S. and those within other countries, and also factors relating to the general economic, governmental and social conditions of the country or countries where the company is located. The extent to which the Fund invests in foreign companies will fluctuate from time to time depending on the Adviser’s assessment of prevailing market, economic and other conditions.

The Adviser selects securities for the Fund’s investment portfolio by using a bottom-up quantitative and qualitative analysis to identify companies that exhibit sustainable growth characteristics, including durable competitive advantages, high returns on equity, efficient use of capital, demonstrated low volatility in financial and operating metrics, low exposure to cyclical trends, and capital allocation discipline. Risk management is a key component of the Adviser’s portfolio construction process. In the security selection and portfolio construction process, the Adviser targets low correlation among existing and prospective holdings as measured by security price changes over 3, 5 and 10 year periods. The Adviser also employs individual position limits of 7% of total assets in order to manage risk. The Adviser may reduce or sell investment positions for a variety of reasons, including when it identifies superior ideas, when valuations are excessive, when operating volatility increases, when sector or position limits are exceeded, or when an original investment thesis fails. While the Fund will not concentrate its investments in any one industry, the Fund may have a significant exposure to one or more sectors of the economy.

Principal Risks

As with any mutual fund, there are risks to investing. An investment in the Fund is not a deposit of a bank and is not insured or guaranteed by the Federal Deposit Insurance Corporation or any other governmental agency. Remember, in addition to possibly not achieving your investment goals, **you could lose all or a portion of your investment in the Fund over short or even long periods of time.** The principal risks of investing in the Fund are:

General Market Risk. The Fund's net asset value and investment return will fluctuate based upon changes in the value of its portfolio securities. Certain securities selected for the Fund's portfolio may be worth less than the price originally paid for them, or less than they were worth at an earlier time.

Management Risk. The Fund may not meet its investment objective or may underperform the market or other investment vehicles with similar strategies if the Adviser cannot successfully implement the Fund's investment strategies.

Equity Securities Risk. The equity securities held in the Fund's portfolio may experience sudden, unpredictable drops in value or long periods of decline in value. This may occur because of factors that affect securities markets generally or factors affecting specific industries, sectors, geographic markets, or companies in which the Fund invests.

Mid-Cap and Small-Cap Companies Risk. The Fund's investment in securities of mid-cap and small-cap companies may be more volatile and less liquid than the securities of larger, more established companies.

Limited Holdings Risk. The Fund may have a relatively high percentage of assets in a single or small number of issuers, which may result in increased volatility.

Sector Emphasis Risk. The securities of companies in the same or related businesses ("industry sectors"), if comprising a significant portion of the Fund's portfolio, may in some circumstances react negatively to market conditions, interest rates and economic, regulatory or financial developments and adversely affect the value of the portfolio to a greater extent than if such securities comprised a lesser portion of the Fund's portfolio or the Fund's portfolio was diversified across a greater number of industry sectors. Some industry sectors have particular risks that may not affect other sectors.

Growth-Style Investing Risk. Investors expect growth companies to increase their earnings at a certain rate that is generally higher than the rate expected for non-growth companies. If a growth company does not meet these expectations, the price of its stock may decline significantly, even if it has increased earnings. Growth companies also typically do not pay dividends. Companies that pay dividends may experience less significant stock price declines during market downturns.

Foreign Securities Risk. Foreign companies involve risks not generally associated with investment in the securities of U.S. companies, including risks relating to political, social and economic developments abroad and differences between U.S. and foreign regulatory requirements and market practices, including fluctuations in foreign currencies.

ADR Risk. ADRs are generally subject to the same risks as foreign securities because their values depend on the performance of the underlying foreign securities. ADRs may be purchased through "sponsored" or "unsponsored" facilities. A sponsored facility is established jointly by the issuer of the underlying security and a depositary, whereas a depositary may establish an unsponsored facility without participation by the issuer of the depositary security. Holders of unsponsored ADRs generally bear all the costs of such depositary receipts, and the issuers of unsponsored ADRs frequently are under no obligation to distribute shareholder communications received from the company that issues the underlying foreign securities or to pass through voting rights to the holders of the ADRs. As a result, there may not be a correlation between such information and the market values of unsponsored ADRs.

Newer Fund Risk. The Fund has limited operating history and there can be no assurance that the Fund will grow to or maintain an economically viable size, in which case the Board may determine to liquidate the Fund.

Adviser Risk. The Adviser has limited experience managing a mutual fund.

Performance

The accompanying bar chart and table provide some indication of the risks of investing in the Fund. The bar chart shows how the Fund’s total returns for the Fund’s Institutional Class have varied from year-to-year. Following the bar chart are the Fund’s highest and lowest quarterly returns during the period shown in the bar chart. The performance table that follows shows how the Fund’s average annual total returns over time compare with broad-based securities market indexes. Past performance (before and after taxes) will not necessarily continue in the future. Updated performance information is available on the Fund’s website at www.Torray.com or by calling the Fund toll-free at 844-406-4960.

Calendar Year Total Returns as of December 31:

Best Quarter	Worst Quarter
Q1 2015 9.10%	Q3 2015 (12.73)%

Average Annual Total Returns for the periods ended December 31, 2016		
	One Year	Since Inception (1/1/15)
Institutional Class		
Return Before Taxes	7.65%	0.65%
Return After Taxes on Distributions	7.65%	0.65%
Return After Taxes on Distributions and Sale of Fund Shares	4.33%	0.49%
Investor Class		
Return Before Taxes	7.24%	0.35%
Russell 2500 [®] Growth Index (reflects no deductions for fees, expenses or taxes)	9.73%	4.65%
Russell 2500 [®] Index (reflects no deductions for fees, expenses or taxes)	17.59%	6.85%

After tax returns are calculated using the historical highest individual federal marginal income tax rates and do not reflect the impact of state and local taxes. Actual after-tax returns depend on your situation and may differ from those shown. Furthermore, the after-tax returns shown are not relevant to those who hold their shares through tax-deferred arrangements such as 401(k) plans or individual retirement accounts (“IRAs”). After-tax returns are shown only for the Institutional Class; after-tax returns for the Investor Class will vary to the extent it has different expenses.

Management

Investment Adviser

Torray LLC is the Fund's investment adviser.

Portfolio Manager

Nicholas C. Haffenreffer, President and Chief Investment Officer of the Adviser, is the portfolio manager responsible for the day-to-day management of the Fund. Mr. Haffenreffer has managed the Fund since its inception in January 2015.

Purchase and Sale of Fund Shares

You may purchase or redeem Fund shares on any day that the New York Stock Exchange ("NYSE") is open for business by written request via mail (TorrayResolute Small/Mid Cap Growth Fund, c/o U.S. Bancorp Fund Services, LLC, P.O. Box 701, Milwaukee, Wisconsin 53201-0701), by contacting the Fund by telephone at 844-406-4960, by wire transfer, or through a financial intermediary. The minimum initial and subsequent investment amounts are shown below.

	Investor Class	Institutional Class
Minimum Initial Investment	\$2,500	\$1,000,000
Subsequent Minimum Investment	\$100	\$100

Tax Information

The Fund's distributions are taxable, and will be taxed as ordinary income or capital gains, unless you are a tax-exempt organization or are investing through a tax-advantaged arrangement such as a 401(k) plan or IRA. Distributions on investments made through tax-advantaged arrangements generally will be taxed as ordinary income when withdrawn from those accounts.

Payments to Broker-Dealers and Other Financial Intermediaries

If you purchase Fund shares through a broker-dealer or other financial intermediary (such as a bank or financial advisor), the Fund and/or its Adviser may pay the intermediary for the sale of Fund shares and related services. These payments may create conflicts of interest by influencing the broker-dealer or other intermediary and your salesperson to recommend the Fund over another investment. Ask your salesperson or visit your financial intermediary's website for more information.

Investment Objective, Strategies, Risks and Disclosure of Portfolio Holdings

Investment Objective

The Fund's investment objective is long-term capital appreciation. The investment objective is not fundamental and may be changed without the approval of the Fund's shareholders upon 60 days' prior written notice to shareholders.

Principal Investment Strategies

The Fund invests at least 80% of its net assets, plus any borrowings for investment purposes, in common stocks of small and mid-capitalization companies organized in the United States that the Adviser believes should generate excess returns, as compared to the Russell 2500TM Growth Index, with below-market risk over time, namely companies with superior operating and financial characteristics and proven records of increasing earnings on a consistent and sustainable basis.

The Fund typically invests in a portfolio of 25 to 30 small and mid-capitalization stocks with a long-term orientation and a quality focus. The Fund considers a company to be a small or mid-

capitalization company if it has a market capitalization, at the time of purchase, within the capitalization range of the Russell 2500TM Growth Index. The market capitalizations within the Index vary, but as of March 31, 2017 they ranged from approximately \$9.3 million to \$24.2 billion. Although the Fund will invest primarily in the common stocks of U.S. companies, the Fund may invest up to 15% of its assets in common stocks of foreign companies that are organized and headquartered in countries classified as “developed” by MSCI. As of December 31, 2016, the following foreign countries were classified as “developed” by MSCI: Australia, Austria, Belgium, Canada, Denmark, Finland, France, Germany, Hong Kong, Ireland, Israel, Italy, Japan, Netherlands, New Zealand, Norway, Portugal, Singapore, Spain, Sweden, Switzerland, and the UK. As a part of its investment in foreign companies, the Fund may also invest in American Depository Receipts (“ADRs”), which are dollar-denominated negotiable certificates issued by a U.S. Bank representing a specified number of shares in a foreign stock that is traded on a U.S. exchange, with the underlying security held by a U.S. financial institution overseas.

In considering whether to invest in the securities of a foreign company, the Adviser considers such factors as the characteristics of the particular company, differences between economic trends and the performance of securities markets within the U.S. and those within other countries, and also factors relating to the general economic, governmental and social conditions of the country or countries where the company is located. The extent to which the Fund invests in foreign companies will fluctuate from time to time depending on the Adviser’s assessment of prevailing market, economic and other conditions.

The Adviser selects securities for the Fund’s investment portfolio by using a bottom-up quantitative and qualitative analysis to identify companies that exhibit sustainable growth characteristics, including durable competitive advantages, high returns on equity, efficient use of capital, demonstrated low volatility in financial and operating metrics, low exposure to cyclical trends, and capital allocation discipline. Risk management is a key component of the Adviser’s portfolio construction process. In the security selection and portfolio construction process, the Adviser targets low correlation among existing and prospective holdings as measured by security price changes over 3, 5 and 10 year periods. The Adviser also employs individual position limits of 7% of total assets in order to manage risk. The Adviser may reduce or sell investment positions for a variety of reasons, including when it identifies superior ideas, when valuations are excessive, when operating volatility increases, when sector or position limits are exceeded, or when an original investment thesis fails. While the Fund will not concentrate its investments in any one industry, the Fund may have a significant exposure to one or more sectors of the economy.

Temporary Strategies; Cash or Similar Investments. At the Adviser’s discretion, the Fund may invest in high-quality, short-term debt securities and money market instruments for (i) temporary defensive purposes in response to adverse market, economic or political conditions and (ii) retaining flexibility in meeting redemptions, paying expenses, and identifying and assessing investment opportunities. These short-term debt securities and money market instruments include cash, shares of other mutual funds, commercial paper, certificates of deposit, bankers’ acceptances, U.S. government securities, discount notes and repurchase agreements. To the extent that the Fund invests in money market mutual funds for its cash position, there will be some duplication of expenses because the Fund will bear its pro rata portion of such money market funds’ management fees and operational expenses. When investing for temporary defensive purposes, the Adviser may invest up to 100% of the Fund’s total assets in such instruments. Taking a temporary defensive position may result in the Fund not achieving its investment objective.

Principal Risks of Investing in the Fund

Before investing in the Fund, you should carefully consider your own investment goals, the amount of time you are willing to leave your money invested, and the amount of risk you are willing to take.

Remember, in addition to possibly not achieving your investment goals, **you could lose all or a portion of your investment in the Fund.** The principal risks of investing in the Fund are:

General Market Risk. The net asset value of the Fund and investment return will fluctuate based upon changes in the value of its portfolio securities. The market value of a security may move up or down, sometimes rapidly and unpredictably. These fluctuations may cause a security to be worth less than the price originally paid for it, or less than it was worth at an earlier time. Market risk may affect a single issuer, industry, sector of the economy or the market as a whole. U.S. and international markets have experienced, and may continue to experience, volatility, which may increase risks associated with an investment in the Fund. The market value of securities in which the Fund invests is based upon the market's perception of value and is not necessarily an objective measure of the securities' value. In some cases, for example, the stock prices of individual companies have been negatively affected even though there may be little or no apparent degradation in the financial condition or prospects of the issuers. Similarly, the debt markets have experienced substantially lower valuations, reduced liquidity, price volatility, credit downgrades, increased likelihood of default, and valuation difficulties. As a result of this significant volatility, many of the following risks associated with an investment in the Fund may be increased. Continuing market problems may have adverse effects on the Fund.

Management Risk. The ability of the Fund to meet its investment objective is directly related to the Adviser's investment strategies for the Fund. The value of your investment in the Fund may vary with the effectiveness of the Adviser's research, analysis and asset allocation among portfolio securities. If the Adviser's investment strategies do not produce the expected results, the value of your investment could be diminished or even lost entirely and the Fund could underperform the market or other mutual funds with similar investment objectives.

Equity Securities Risk. The Fund's investments in equity securities are susceptible to general stock market fluctuations and to volatile increases and decreases in value as market confidence in and perceptions of their issuers change. These investor perceptions are based on various and unpredictable factors including: expectations regarding government, economic, monetary and fiscal policies; inflation and interest rates; economic expansion or contraction; global or regional political, economic and banking crises; and factors affecting specific industries, sectors or companies in which the Fund invests. The Fund's net asset value and investment return will fluctuate based upon changes in the value of its portfolio securities.

Mid-Cap and Small-Cap Companies Risk. The mid-cap and small-cap companies in which the Fund invests may not have the management experience, financial resources, product diversification and competitive strengths of large-cap companies. Therefore, their securities may be more volatile and less liquid than the securities of larger, more established companies. Mid-cap and small-cap company stocks may also be bought and sold less often and in smaller amounts than larger company stocks. Because of this, if the Adviser wants to sell a large quantity of a mid-cap or small-cap company stock, it may have to sell at a lower price than it might prefer, or it may have to sell in smaller than desired quantities over a period of time. Analysts and other investors may follow these companies less actively and therefore information about these companies may not be as readily available as it is for large-cap companies.

Limited Holdings Risk. The Fund may have a relatively high percentage of assets in a single or small number of issuers and may have fewer holdings than other mutual funds. As a result, a decline in the value of an investment in a single issuer could cause the Fund's overall value to decline to a greater degree than if the Fund held a more diverse portfolio.

Sector Emphasis Risk. The securities of companies in the same or related businesses ("industry sectors"), if comprising a significant portion of the Fund's portfolio, may in some circumstances react negatively to market conditions, interest rates and economic, regulatory or financial developments and

adversely affect the value of the portfolio to a greater extent than if such securities comprised a lesser portion of the Fund's portfolio or the Fund's portfolio was diversified across a greater number of industry sectors. Some industry sectors have particular risks that may not affect other sectors.

Growth Stock Risk. Investors expect growth companies to increase their earnings at a certain rate that is generally higher than the rate expected for non-growth companies. If a growth company does not meet these expectations, the price of its stock may decline significantly, even if it has increased earnings. Growth companies also typically do not pay dividends. Companies that pay dividends may experience less significant stock price declines during market downturns.

Foreign Securities Risk. The risks of investing in securities of foreign companies involves risks not generally associated with investments in securities of U.S. companies, including risks relating to political, social and economic developments abroad and differences between U.S. and foreign regulatory requirements and market practices. Securities that are denominated in foreign currencies are subject to the further risk that the value of the foreign currency will fall in relation to the U.S. dollar and/or will be affected by volatile currency markets or actions of U.S. and foreign governments or central banks. Foreign securities may be subject to greater fluctuations in price than securities of U.S. companies because foreign markets may be smaller and less liquid than U.S. markets.

ADR Risk. ADRs are generally subject to the same risks as the foreign securities because their values depend on the performance of the underlying foreign securities. ADRs may be purchased through "sponsored" or "unsponsored" facilities. A sponsored facility is established jointly by the issuer of the underlying security and a depositary, whereas a depositary may establish an unsponsored facility without participation by the issuer of the depositary security. Holders of unsponsored ADRs generally bear all the costs of such depositary receipts, and the issuers of unsponsored ADRs frequently are under no obligation to distribute shareholder communications received from the company that issues the underlying foreign securities or to pass through voting rights to the holders of the ADRs. As a result, there may not be a correlation between such information and the market values of unsponsored ADRs.

Newer Fund Risk. The Fund has limited operating history and there can be no assurance that the Fund will grow to or maintain an economically viable size, in which case the Board may determine to liquidate the Fund. Liquidation of a Fund can be initiated without shareholder approval by the Trust's Board if it determines it is in the best interest of shareholders. As a result, the timing of any Fund liquidation may not be favorable to certain individual shareholders.

Adviser Risk. The Adviser has limited experience managing a mutual fund.

Portfolio Holdings

A description of the Fund's policies and procedures with respect to the disclosure of the Fund's portfolio holdings is available in the Statement of Additional Information ("SAI").

Management of the Fund

Investment Adviser

The Fund has entered into an investment advisory agreement ("Advisory Agreement") with Torray LLC, located at 7501 Wisconsin Avenue, Suite 750W, Bethesda, Maryland 20814. Established in 1972, the Adviser is an SEC-registered investment adviser that provides investment advisory services to the Fund. The Adviser has \$1.1 billion in assets under management as of March 31, 2017. Under the Advisory Agreement, the Adviser manages the Fund's investments subject to the supervision of the Board.

The Adviser has overall supervisory responsibility for the general management and investment of the Fund's securities portfolio. The Adviser also furnishes the Fund with office space and certain administrative services and provides most of the personnel needed to fulfill its obligations under its advisory agreement. For its services, the Fund pays the Adviser a monthly management fee that is calculated at the annual rate of 0.80% of the Fund's average daily net assets. Prior to October 31, 2016, TorrayResolute, LLC ("TorrayResolute") served as investment adviser to the Fund and was paid the same management fee as the Adviser.

Fund Expenses. The Fund is responsible for its own operating expenses. Pursuant to an Operating Expenses Limitation Agreement between the Adviser and the Trust, on behalf of each class of the Fund, the Adviser has agreed to waive its management fees and pay Fund expenses in order to ensure that Total Annual Fund Operating Expenses (excluding Rule 12b-1 fees, Shareholder Servicing Plan fees, AFFE, leverage, interest, interest expense, taxes, brokerage commissions, and extraordinary expenses) do not exceed 1.00% of the average daily net assets of the Fund. The Operating Expenses Limitation Agreement will be in effect and cannot be terminated through April 30, 2026. Thereafter, the agreement may be terminated at any time upon 60 days' written notice by the Trust's Board of Trustees (the "Board") or the Adviser, with the consent of the Board. Fees waived and expenses paid by the Adviser may be recouped by the Adviser for a period of thirty-six months following the date on which such fee waiver and expense payment occurred, if such recoupment can be achieved without exceeding the expense limit in effect at the time the fee waiver and/or expense payment occurred and the expense limit in place at the time of recoupment.

As a result of the Operating Expenses Limitation Agreement between the Trust and the Adviser, the Adviser did not receive a management fee for the fiscal period from October 31, 2016 through December 31, 2016. As a result of an Operating Expenses Limitation Agreement between the Trust and TorrayResolute, TorrayResolute did not receive a management fee for the fiscal period from January 1, 2016 through October 30, 2016.

A discussion regarding the basis of the Board's approval of the Advisory Agreement is available in the Fund's annual report to shareholders for the period ending December 31, 2016.

Portfolio Manager

Nicholas C. Haffenreffer

Mr. Haffenreffer serves as a Principal of the Adviser and as the Fund's portfolio manager. Mr. Haffenreffer has 24 years of investment experience. Mr. Haffenreffer joined the Adviser in 2010 as a member of its investment team. In these capacities, he manages Torray's Concentrated Large Growth and Small/Mid Cap Growth strategies for investment companies, private clients and/or institutions. Mr. Haffenreffer currently serves as the portfolio manager, in a subadvisory role, for the Transamerica Concentrated Growth Fund and Transamerica Torray Concentrated Growth VP Fund, which he began managing in March 2014, and July 2014 respectively. Prior to joining Torray in 2010, Mr. Haffenreffer served as President of Resolute Capital Management LLC ("Resolute"), a firm he founded in 1998, where he also managed the firm's Concentrated Large Growth and Small/Mid Cap Growth strategies from their inception. Prior to founding Resolute, Mr. Haffenreffer was the Director of Research for Washington, DC-based Farr Miller & Washington (1996-1998), an equity analyst with T. Rowe Price Associates, Inc., where he worked on the Growth Stock Fund (1994-1996), and an equity analyst for New York City-based Select Equity Group, Inc. (1991-1994). Mr. Haffenreffer earned a Bachelor of Science degree from Brown University in 1990.

The Fund's SAI provides additional information about the portfolio manager's compensation, other accounts managed by the portfolio manager and the portfolio manager's ownership of Fund shares.

Similarly Managed Account Performance

As of the date of this Prospectus, the Fund has limited performance history. The tables below provide the performance of a composite of all client accounts managed by the Adviser on a fully discretionary basis with substantially similar objectives, policies and investment strategies employed by the Adviser to manage the Fund (the “Composite”). The accounts comprising the Composite are managed by the Fund’s portfolio manager.

The performance of the Fund may not correspond with the performance of the accounts comprising the Composite.

The Composite returns were prepared by the Adviser in compliance with the Global Investment Performance Standards (“GIPS[®]”). The returns are audited and calculated by the Adviser on a total return basis and include gains or losses plus income and the reinvestment of all dividends and interest. All returns reflect the deduction of the actual investment advisory fees charged, brokerage commissions and execution costs paid by the accounts, without provision for Federal or state income taxes. Custodial fees, if any, were not included in the calculations.

The Fund’s performance will be calculated using the standard formula set forth in rules promulgated by the SEC, which differs in certain respects from the methods used to compute total return for the Composite. The private accounts comprising the Composite are not subject to the same types of expenses incurred by the Fund, nor certain diversification requirements imposed on the Fund by the 1940 Act and the Internal Revenue Code of 1986, as amended, nor certain other investment limitations and restrictions imposed by the 1940 Act. The performance results of the Composite would have been lower if the accounts included in the Composite had been subject to the Fund’s expenses or had been regulated as investment companies under Federal securities laws. Past performance of the Composite is not indicative of the future performance results of the Fund.

The following table shows the annual returns of the Composite, net of all fees listed above, for the periods ended December 31.

TorrayResolute Small/Mid Cap Growth Composite Annual Performance Presentation

	2008	2009	2010	2011	2012	2013	2014	2015	2016
TorrayResolute Small/Mid Cap Growth Composite (net of fees) ¹	-33.0%	37.53%	22.92%	4.53%	13.18%	40.87%	4.01%	-4.79%	8.38%

The following table shows the annualized asset-weighted returns of the Composite, net of all fees listed above, for the periods ended December 31, 2016.

TorrayResolute Small/Mid Cap Growth Composite - Total Annualized Returns for the Periods Ended December 31, 2016

	One Year	Five Year	Since Inception (12/31/07)
TorrayResolute Small/Mid Cap Growth Composite (net of fees) ¹	8.38%	11.34%	8.16%
Russell 2500 [®] Growth Index (reflects no deduction for fees, expenses or taxes) ²	9.73%	13.88%	8.08%
Russell 2500 [®] Index(reflects no deduction for fees, expenses or taxes) ³	17.59%	14.54%	8.41%

¹ Prior to July 1, 2010, this composite was known as the Small/Mid Cap Growth Composite and managed by Resolute. Resolute merged with Torray on July 1, 2010. From July 1, 2010, through November 27, 2014, and from October 31, 2016, the Composite was managed by Torray. From November 28, 2014 through October 30, 2016, the Composite had been managed by TorrayResolute, a joint venture between Torray and Montage. Portfolio manager Nicholas Haffenreffer has managed the strategy since the inception of the Composite.

Torray has been independently verified for GIPS[®] compliance for the period October 1, 2005 through December 31, 2013. The TorrayResolute Small/Mid Cap Growth Composite has been examined for the periods July 1, 2010 through December 31, 2013. The verification and performance examination reports are available from the Adviser upon request.

² The Russell 2500[®] Growth Index measures the performance of the small to mid-cap growth segment of the U.S. equity universe. It includes those Russell 2500[®] companies with higher growth earning potential as defined by Russell's leading style methodology.

³ The Russell 2500[®] Index measures the performance of the small to mid-cap segment of the U.S. equity universe, commonly referred to as "smid" cap. The Russell 2500[®] Index is a subset of the Russell 3000[®] Index. It includes approximately 2500 of the smallest securities based on a combination of their market cap and current index membership.

Shareholder Information

Pricing of Fund Shares

The price of each class of the Fund's shares is its net asset value ("NAV"). The NAV of each class of shares is calculated by dividing the total assets of each class, less the liabilities of each class, by the number of shares outstanding of each class. The NAV of each class is calculated at the close of regular trading of the NYSE, which is generally 4:00 p.m., Eastern time. The NAV of each class will not be calculated nor may investors purchase or redeem Fund shares on days that the NYSE is closed for trading, even though certain Fund securities (i.e., foreign or debt securities) may trade on days the NYSE is closed, and such trading may materially affect the NAV of each class of the Fund's shares.

The Fund's assets are generally valued at their market price using valuations provided by independent pricing services. When market quotations are not readily available, a security or other asset is valued at its fair value as determined under fair value pricing procedures approved by the Board. These fair value pricing procedures will also be used to price a security when corporate events, events in the securities market and/or world events cause the Adviser to believe that a security's last sale price may not reflect its actual market value. The intended effect of using fair value pricing procedures is to ensure that the Fund is accurately priced. The Board will regularly evaluate whether the Fund's fair value pricing procedures continue to be appropriate in light of the specific circumstances of the Fund and the quality of prices obtained through the application of such procedures by the Trust's valuation committee.

When fair value pricing is employed, the prices of securities used by the Fund to calculate its NAV may differ from quoted or published prices for the same securities. Due to the subjective and variable nature of fair value pricing, it is possible that the fair value determined for a particular security may be materially different (higher or lower) than the price of the security quoted or published by others or the value when trading resumes or realized upon its sale. Therefore, if a shareholder purchases or redeems

Fund shares when the Fund holds securities priced at a fair value, the number of shares purchased or redeemed may be higher or lower than it would be if the Fund was using market value pricing.

In the case of foreign securities, the occurrence of certain events after the close of foreign markets, but prior to the time the Fund's NAV is calculated (such as a significant surge or decline in the U.S. or other markets) often will result in an adjustment to the trading prices of foreign securities when foreign markets open on the following business day. If such events occur, the Fund will value foreign securities at fair value, taking into account such events, in calculating the NAV. In such cases, use of fair valuation can reduce an investor's ability to seek to profit by estimating the Fund's NAV in advance of the time the NAV is calculated. The Fund's investments in smaller or medium capitalization companies are more likely to require a fair value determination because they may be more thinly traded and less liquid than securities of larger companies. The Adviser anticipates that the Fund's portfolio holdings will be fair valued only if market quotations for those holdings are unavailable or considered unreliable.

How to Purchase Fund Shares

Shares of the Fund are purchased at the next NAV per share calculated after your purchase order is received in good order by the Fund (as defined below). Shares may be purchased directly from the Fund or through a financial intermediary, including but not limited to, certain brokers, financial planners, financial advisors, banks, insurance companies, retirement, benefit and pension plans, or certain packaged investment products.

Shares of the Fund have not been registered and are not offered for sale outside of the United States. The Fund generally does not sell shares to investors residing outside the United States, even if they are United States citizens or lawful permanent residents, except to investors with United States military APO or FPO addresses or in certain other circumstances where the Chief Compliance Officer and Anti-Money Laundering Officer for the Trust both conclude that such sale is appropriate and is not in contravention of United States law.

A service fee, currently \$25, as well as any loss sustained by the Fund, will be deducted from a shareholder's account for any purchases that do not clear. The Fund and U.S. Bancorp Fund Services, LLC, the Fund's transfer agent (the "Transfer Agent"), will not be responsible for any losses, liability, cost or expense resulting from rejecting any purchase order. Your order will not be accepted until a completed account application (an "Account Application") is received by the Fund or the Transfer Agent.

Investment Minimums. The minimum initial investment amount is \$2,500 for the Investor Class and \$1,000,000 for the Institutional Class. The minimum investment amount for subsequent investments is \$100 for both classes. The Fund reserves the right to waive the minimum initial investment or minimum subsequent investment amounts at its discretion. Shareholders will be given at least 30 days' written notice of any increase in the minimum dollar amount of initial or subsequent investments.

Purchases through Financial Intermediaries. For share purchases through a financial intermediary, you must follow the procedures established by your financial intermediary. Your financial intermediary is responsible for sending your purchase order and payment to the Fund's Transfer Agent. Your financial intermediary holds the shares in your name and receives all confirmations of purchases and sales from the Fund. Your financial intermediary may charge for the services that they provide to you in connection with processing your transaction order or maintaining an account with them.

If you place an order for the Fund's shares through a financial intermediary that is authorized by the Fund to receive purchase and redemption orders on its behalf (an "Authorized Intermediary"), your

order will be processed at the NAV next calculated after receipt by the Authorized Intermediary, consistent with applicable laws and regulations. Authorized Intermediaries are authorized to designate other Authorized Intermediaries to receive purchase and redemption orders on the Fund's behalf.

If your financial intermediary is not an Authorized Intermediary, your order will be processed at the NAV next calculated after the Transfer Agent receives your order from your financial intermediary. Your financial intermediary must agree to send immediately available funds to the Transfer Agent in the amount of the purchase price in accordance with the Transfer Agent's procedures. If payment is not received in a timely manner, as determined by the transfer agent, the Transfer Agent may rescind the transaction and your financial intermediary will be held liable for any resulting fees or losses. Financial intermediaries that are not Authorized Intermediaries may set cut-off times for the receipt of orders that are earlier than the cut-off times established by the Fund.

Purchase Requests Must be Received in Good Order

Your share price will be the next applicable price per share calculated after the Transfer Agent or your Authorized Intermediary receives your purchase request in good order. "Good order" means that your purchase request includes:

- The name of the Fund;
- The class of shares to be purchased;
- The dollar amount of shares to be purchased;
- Your account application or investment stub; and
- A check payable to the name of the Fund or a wire transfer received by the Fund.

An Account Application to purchase Fund shares is subject to acceptance by the Fund and is not binding until so accepted. The Fund reserves the right to reject any Account Application or to reject any purchase order if, in its discretion, it is in the Fund's best interest to do so. For example, a purchase order may be refused if it appears so large that it would disrupt the management of the Fund. Purchases may also be rejected from persons believed to be "market-timers," as described under "Tools to Combat Frequent Transactions," below. Accounts opened by entities, such as credit unions, corporations, limited liability companies, partnerships or trusts, will require additional documentation. Please note that if any information listed above is missing, your Account Application will be returned and your account will not be opened.

Upon acceptance by the Fund, all purchase requests received in good order before the close of the NYSE (generally 4:00 p.m., Eastern time) will be processed at the applicable price next calculated after receipt. Purchase requests received after the close of the NYSE (generally 4:00 p.m., Eastern time) will be priced on the next business day.

Purchase by Mail. To purchase Fund shares by mail, simply complete and sign the Account Application and mail it, along with a check made payable to the Fund:

Regular Mail

TorrayResolute Small/Mid Cap Growth Fund
c/o U.S. Bancorp Fund Services, LLC
P.O. Box 701
Milwaukee, WI 53201-0701

Overnight or Express Mail

TorrayResolute Small/Mid Cap Growth Fund
c/o U.S. Bancorp Fund Services, LLC
615 East Michigan Street, 3rd Floor
Milwaukee, WI 53202

The Fund does not consider the U.S. Postal Service or other independent delivery services to be its agents. Therefore, deposit in the mail or with such services, or receipt at the U.S. Bancorp Fund Services, LLC post office box, of purchase orders or redemption requests does not constitute receipt by the Transfer Agent of the Fund. All purchase checks must be in U.S. dollars drawn on a domestic financial institution. The Fund will not accept payment in cash or money orders. To prevent check fraud, the Fund will not accept third party checks, Treasury checks, credit card checks, traveler's

checks or starter checks for the purchase of shares. The Fund is unable to accept post-dated checks or any conditional order or payment. The transfer agent will charge a \$25 fee against a shareholder's account, in addition to any loss sustained by the Fund, for any payment that is returned.

Purchase by Wire. If you are making your first investment in the Fund, before you wire funds the Transfer Agent must have a completed Account Application. You can mail or use an overnight service to deliver your Account Application to the Transfer Agent at the above address. Upon receipt of your completed Account Application, the Transfer Agent will establish an account for you. Once your account has been established, you may instruct your bank to send the wire. Prior to sending the wire, please call the Transfer Agent at 844-406-4960 to advise them of the wire and to ensure proper credit upon receipt. Your bank must include the name of the Fund, your name and your account number so that your wire can be correctly applied. Your bank should transmit immediately available funds by wire to:

Wire to:	U.S. Bank, N.A.
ABA Number:	075000022
Credit:	U.S. Bancorp Fund Services, LLC
Account:	112-952-137
Further Credit:	TorrayResolute Small/Mid Cap Growth Fund (Shareholder Name/Account Registration) (Shareholder Account Number) (Class of shares to be purchased)

Wired funds must be received prior to the close of the NYSE (generally 4:00 p.m., Eastern time) to be eligible for same day pricing. The Fund and U.S. Bank, N.A., the Fund's custodian, are not responsible for the consequences of delays resulting from the banking or Federal Reserve wire system, or from incomplete wiring instructions.

Investing by Telephone. You may not make initial purchases of Fund shares by telephone. If you have accepted telephone transactions on your Account Application or have been authorized to perform telephone transactions by subsequent arrangement in writing with the Fund and your account has been open for at least 15 days, you may purchase additional shares by telephoning the Fund toll free at 844-406-4960. This option allows investors to move money from their bank account to their Fund account upon request. Only bank accounts held at domestic financial institutions that are Automated Clearing House ("ACH") members may be used for telephone transactions. The minimum telephone purchase amount is \$100. If your order is received prior to the close of the NYSE (generally 4:00 p.m., Eastern time), shares will be purchased in your account at the price determined on the day your order is placed. Shareholders may encounter higher than usual call waiting times during periods of high market activity. Please allow sufficient time to place your telephone transaction. The Fund is not responsible for delays due to communications or transmission outages or failure.

Subsequent Investments. Subject to the minimum subsequent investment amount described above, you may add to your account at any time by purchasing shares by mail, by telephone or by wire. You must call to notify the Fund at 844-406-4960 before wiring. An investment stub, which is attached to your individual account statement, should accompany any investments made through the mail. All subsequent purchase requests must include your shareholder account number.

Automatic Investment Plan. For your convenience, the Fund offers an Automatic Investment Plan ("AIP"). Under the AIP, after your initial investment, you may authorize the Fund to withdraw automatically any amount of at least \$100 that you wish to invest in the Fund, on a monthly or quarterly basis, from your personal checking or savings account. In order to participate in the AIP, your bank must be a member of the ACH network. If you wish to enroll in the AIP, complete the appropriate section in the Account Application. The Fund may terminate or modify this privilege at any time. You may terminate your participation in the AIP at any time by notifying the Transfer

Agent five days prior to the next scheduled investment. A \$25 fee will be charged if your bank does not honor the AIP draft for any reason.

Anti-Money Laundering Program. The Trust has established an Anti-Money Laundering Compliance Program (the “Program”) as required by the Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act of 2001 (the “USA PATRIOT Act”) and related anti-money laundering laws and regulations. To ensure compliance with these laws, the Account Application asks for, among other things, the following information for all “customers” seeking to open an “account” (as those terms are defined in rules adopted pursuant to the USA PATRIOT Act):

- Full name;
- Date of birth (individuals only);
- Social Security or taxpayer identification number; and
- Permanent street address (a P.O. Box number alone is not acceptable).

In compliance with the USA PATRIOT Act and other applicable anti-money laundering laws and regulations, the Transfer Agent will verify the information on your application as part of the Program. The Fund reserves the right to request additional clarifying information and may close your account if such clarifying information is not received by the Fund within a reasonable time of the request or if the Fund cannot form a reasonable belief as to the true identity of a customer. If you require additional assistance when completing your application, please contact the Transfer Agent at 844-406-4960.

Cancellations and Modifications. The Fund will not accept a request to cancel or modify a transaction once processing has begun. Please exercise care when placing a transaction request.

How to Redeem Fund Shares

In general, orders to sell or “redeem” shares may be placed directly with the Fund or through a financial intermediary. You may redeem all or part of your investment in the Fund’s shares on any business day that the Fund calculates its NAV.

However, if you originally purchased your shares through a broker-dealer or financial intermediary, your redemption order must be placed with the same financial intermediary in accordance with their established procedures. Your financial intermediary is responsible for sending your order to the Transfer Agent and for crediting your account with the proceeds. Your financial intermediary may charge for the services that they provide to you in connection with processing your transaction order or maintaining an account with them.

Shareholders who have an IRA or other retirement plan must indicate on their written redemption request whether to withhold federal income tax. Redemption requests failing to indicate an election not to have tax withheld will generally be subject to 10% withholding. Shares held in IRA or other retirement plan accounts may be redeemed by telephone at 844-406-4960. Investors will be asked whether or not to withhold taxes from any distribution.

Payment of Redemption Proceeds. You may redeem your Fund shares at a price equal to the NAV per share next determined after the Transfer Agent or an Authorized Intermediary receives your redemption request in good order. Your redemption request cannot be processed on days the NYSE is closed. All requests received by the Fund in good order after the close of the regular trading session of the NYSE (generally 4:00 p.m., Eastern time) will usually be processed on the next business day.

A redemption request will be deemed in “good order” if it includes:

- The shareholder’s name;
- The name of the Fund;
- The class of shares to be redeemed;
- The account number;
- The share or dollar amount to be redeemed; and
- Signatures by all shareholders on the account and signature guarantee(s), if applicable.

Additional documents are required for certain types of redemptions, such as redemptions from accounts held by credit unions, corporations, limited liability companies, or partnerships, or from accounts with executors, trustees, administrators or guardians. Please contact the Transfer Agent to confirm the requirements applicable to your specific redemption request. Redemption requests that do not have the required documentation will be rejected.

While redemption proceeds may be paid by check sent to the address of record, the Fund is not responsible for interest lost on such amounts due to lost or misdirected mail. Redemption proceeds may be wired to your pre-established bank account or proceeds may be sent via electronic funds transfer through the ACH network using the bank instructions previously established for your account. Redemption proceeds will typically be sent on the business day following your redemption. Wires are subject to a \$15 fee. There is no charge to have proceeds sent via ACH; however, funds are typically credited to your bank within two to three days after redemption. Except as set forth below, proceeds will be paid within seven calendar days after the Fund receives your redemption request. The Fund reserves the right to suspend or postpone redemptions as permitted pursuant to Section 22(e) of the 1940 Act and as described below.

Please note that if the Transfer Agent has not yet collected payment for the shares you are redeeming, it may delay sending the proceeds until the payment is collected, which may take up to 12 calendar days from the purchase date. Furthermore, there are certain times when you may be unable to sell Fund shares or receive proceeds. Specifically, the Fund may suspend the right to redeem shares or postpone the date of payment upon redemption for more than seven calendar days: (1) for any period during which the NYSE is closed (other than customary weekend or holiday closings) or trading on the NYSE is restricted; (2) for any period during which an emergency exists as a result of which disposal by the Fund of securities owned by it is not reasonably practicable or it is not reasonably practicable for the Fund to fairly determine the value of its net assets; or (3) for such other periods as the SEC may by order permit for the protection of shareholders. Your ability to redeem shares by telephone will be restricted for 15 days after you change your address. You may change your address at any time by telephone or written request, addressed to the Transfer Agent. Confirmations of an address change will be sent to both your old and new address.

Signature Guarantee. Redemption proceeds will be sent to the address of record. The Transfer Agent may require a signature guarantee for certain redemption requests. A signature guarantee assures that your signature is genuine and protects you from unauthorized account redemptions. Signature guarantees can be obtained from domestic banks, brokers, dealers, credit unions, national securities exchanges, registered securities associations, clearing agencies and savings associations, as well as from participants in the New York Stock Exchange Medallion Signature Program and the Securities Transfer Agents Medallion Program (“STAMP”), *but not from a notary public*. A signature guarantee, from either a Medallion program member or a non-Medallion program member, of each owner is required in the following situations:

- If ownership is being changed on your account;
- When redemption proceeds are payable or sent to any person, address or bank account not on record;

- If a change of address request has been received by the Transfer Agent within the last 15 calendar days; and
- For all redemptions in excess of \$100,000 from any shareholder account.

Non-financial transactions, including establishing or modifying certain services on an account, may require a signature guarantee, signature verification from a Signature Validation Program member, or other acceptable form of authentication from a financial institution source.

In addition to the situations described above, the Fund and/or the Transfer Agent reserve the right to require a signature guarantee or other acceptable signature verification in other instances based on the circumstances relative to the particular situation.

Redemption by Mail. You can execute most redemptions by furnishing an unconditional written request to the Fund to redeem your shares at the current NAV per share. Redemption requests in writing should be sent to the Transfer Agent at:

Regular Mail

TorrayResolute Small/Mid Cap Growth Fund
c/o U.S. Bancorp Fund Services, LLC
P.O. Box 701
Milwaukee, WI 53201-0701

Overnight or Express Mail

TorrayResolute Small/Mid Cap Growth Fund
c/o U.S. Bancorp Fund Services, LLC
615 East Michigan Street, 3rd Floor
Milwaukee, WI 53202

The Fund does not consider the U.S. Postal Service or other independent delivery services to be its agents. Therefore, deposit in the mail or with such services, or receipt at the U.S. Bancorp Fund Services, LLC post office box, of purchase or redemption requests does not constitute receipt by the Transfer Agent of the Fund.

Wire Redemption. Wire transfers may be arranged to redeem shares. However, the Transfer Agent charges a fee, currently \$15, per wire redemption against your account on dollar specific trades, and from proceeds on complete redemptions and share-specific trades.

Telephone Redemption. If you have accepted telephone transactions on your Account Application or have been authorized to perform telephone transactions by subsequent arrangement in writing with the Fund, you may redeem shares, in amounts of \$100,000 or less, by instructing the Fund by telephone at 844-406-4960. A signature guarantee, signature verification from a Signature Validation Program member, or other acceptable form of authentication from a financial institution source may be required of all shareholders in order to qualify for or to change telephone redemption privileges on an existing account. Telephone redemptions will not be made if you have notified the Transfer Agent of a change of address within 15 days before the redemption request. Shareholders may encounter higher than usual call waiting times during periods of high market activity. Please allow sufficient time to place your telephone transaction. The Fund is not responsible for delays due to communication or transmission outages or failures.

Note: Neither the Fund nor any of its service providers will be liable for any loss or expense in acting upon instructions that are reasonably believed to be genuine. To confirm that all telephone instructions are genuine, the Fund will use reasonable procedures, such as requesting that you correctly state:

- Your Fund account number;
- The name in which your account is registered; and/or
- The Social Security or taxpayer identification number under which the account is registered.

If an account has more than one owner or person authorized to perform transactions, the Fund will accept telephone instructions from any one owner or authorized person.

Systematic Withdrawal Program. The Fund offers a systematic withdrawal plan (the “SWP”) whereby shareholders or their representatives may request a redemption in a specific dollar amount of at least \$100 be sent to them each month, calendar quarter or annually. Investors may choose to have a check sent to the address of record, or proceeds may be sent to a pre-designated bank account via the ACH network. To start this program, your account must have Fund shares with a value of at least \$10,000. This program may be terminated or modified by the Fund at any time. Any request to change or terminate your SWP should be communicated in writing or by telephone to the Transfer Agent no later than five days before the next scheduled withdrawal. A withdrawal under the SWP involves redemption of Fund shares, and may result in a gain or loss for federal income tax purposes. In addition, if the amount requested to be withdrawn exceeds the rate of growth of assets in your account, including any dividends credited to your account, the account will ultimately be depleted. To establish the SWP, complete the SWP section of the Account Application. Please call 844-406-4960 for additional information regarding the SWP.

The Fund’s Right to Redeem an Account. The Fund reserves the right to redeem the shares of any shareholder whose account balance is less than \$2,500, other than as a result of a decline in the NAV of the Fund. The Fund will provide a shareholder with written notice 30 days prior to redeeming the shareholder’s account.

Redemption-in-Kind. The Fund generally pays redemption proceeds in cash. However, under unusual conditions that make the payment of cash unwise (and for the protection of the Fund’s remaining shareholders), the Fund may pay all or part of a shareholder’s redemption proceeds in portfolio securities with a market value equal to the redemption price (redemption-in-kind).

Specifically, if the amount you are redeeming from the Fund during any 90-day period is in excess of the lesser of \$250,000 or 1% of the Fund’s net assets, valued at the beginning of such period, the Fund has the right to redeem your shares by giving you the amount that exceeds this threshold of the Fund’s net assets in securities instead of cash. If the Fund pays your redemption proceeds by a distribution of securities, you could incur brokerage or other charges in converting the securities to cash, and you may incur a taxable capital gain or loss as a result of the distribution. In addition, you will bear any market risks associated with such securities until they are converted into cash.

Cancellations and Modifications. The Fund will not accept a request to cancel or modify a transaction once processing has begun. Please exercise care when placing a transaction request.

Dividends and Distributions

The Fund will make distributions of net investment income and net capital gains, if any, at least annually, typically during the month of December. The Fund may make additional distributions if deemed to be desirable at another time during the year.

All distributions will be reinvested in Fund shares unless you choose one of the following options: (1) receive distributions of net capital gains in cash, while reinvesting net investment income distributions in additional Fund shares; (2) receive all distributions in cash; or (3) reinvest net capital gain distributions in additional Fund shares, while receiving distributions of net investment income in cash.

If you wish to change your distribution option, write or call the Transfer Agent in advance of the payment date of the distribution. However, any such change will be effective only as to distributions for which the record date is five or more calendar days after the Transfer Agent has received your request.

If you elect to receive distributions in cash and the U.S. Postal Service is unable to deliver your check, or if a check remains uncashed for six months, the Fund reserves the right to reinvest the distribution check in your account at the Fund's then current NAV per share and to reinvest all subsequent distributions.

Tools to Combat Frequent Transactions

The Fund is intended for long-term investors. Short-term "market-timers" who engage in frequent purchases and redemptions may disrupt the Fund's investment program and create additional transaction costs that are borne by all of the Fund's shareholders. The Board has adopted policies and procedures that are designed to discourage excessive, short-term trading and other abusive trading practices that may disrupt portfolio management strategies and harm performance. The Fund takes steps to reduce the frequency and effect of these activities in the Fund. These steps include, among other things, monitoring trading activity and using fair value pricing. Although these efforts are designed to discourage abusive trading practices, these tools cannot eliminate the possibility that such activity will occur. The Fund seeks to exercise judgment in implementing these tools to the best of its ability, and in a manner that it believes is consistent with shareholder interests. Except as noted herein, the Fund applies all restrictions uniformly in all applicable cases.

Monitoring Trading Practices. The Fund monitors selected trades in an effort to detect excessive short-term trading activities. If, as a result of this monitoring, the Fund believes that a shareholder has engaged in excessive short-term trading, it may, in its discretion, ask the shareholder to stop such activities or refuse to process purchases in the shareholder's accounts. In making such judgments, the Fund seeks to act in a manner that it believes is consistent with the best interests of its shareholders. The Fund uses a variety of techniques to monitor for and detect abusive trading practices. These techniques may change from time to time as determined by the Fund in its sole discretion. To minimize harm to the Fund and its shareholders, the Fund reserves the right to reject any purchase order (but not a redemption request), in whole or in part, for any reason and without prior notice. The Fund may decide to restrict purchase and sale activity in its shares based on various factors, including whether frequent purchase and sale activity will disrupt portfolio management strategies and adversely affect Fund performance.

Fair Value Pricing. The Fund employs fair value pricing selectively to ensure greater accuracy in its daily NAVs and to prevent dilution by frequent traders or market timers who seek to take advantage of temporary market anomalies. The Board has developed procedures which utilize fair value pricing when reliable market quotations are not readily available or when corporate events, events in the securities market and/or world events cause the Adviser to believe that a security's last sale price may not reflect its actual market value. Valuing securities at fair value involves reliance on judgment. Fair value determinations are made in good faith in accordance with procedures adopted by the Board. There can be no assurance that the Fund will obtain the fair value assigned to a security if it were to sell the security at approximately the time at which the Fund determines its NAV per share. More detailed information regarding fair value pricing can be found in this Prospectus under the heading entitled "Pricing of Fund Shares."

Due to the complexity and subjectivity involved in identifying abusive trading activity and the volume of shareholder transactions the Fund handles, there can be no assurance that the Fund's efforts will identify all trades or trading practices that may be considered abusive. In particular, since the Fund receives purchase and sale orders through Authorized Intermediaries that use group or omnibus accounts, the Fund cannot always detect frequent trading. However, the Fund will work with Authorized Intermediaries as necessary to discourage shareholders from engaging in abusive trading practices and to impose restrictions on excessive trades. In this regard, the Fund has entered into information sharing agreements with Authorized Intermediaries pursuant to which these intermediaries are required to provide to the Fund, at the Fund's request, certain information relating to their customers investing in the Fund through non-disclosed or omnibus accounts. The Fund will use this

information to attempt to identify abusive trading practices. Authorized Intermediaries are contractually required to follow any instructions from the Fund to restrict or prohibit future purchases from shareholders that are found to have engaged in abusive trading in violation of the Fund's policies. However, the Fund cannot guarantee the accuracy of the information provided to it from Authorized Intermediaries and cannot ensure that they will always be able to detect abusive trading practices that occur through non-disclosed and omnibus accounts. As a result, the Fund's ability to monitor and discourage abusive trading practices in non-disclosed and omnibus accounts may be limited.

Tax Consequences

Distributions of the Fund's net investment company taxable income (which includes, but is not limited to, interest, dividends, net short-term capital gains and net gains from foreign currency transactions), if any, are generally taxable to the Fund's shareholders as ordinary income. To the extent that the Fund's distributions of net investment company taxable income are designated as attributable to "qualified dividend" income, such income may be subject to tax at the reduced rate of federal income tax applicable to non-corporate shareholders for net long-term capital gains, if certain holding period requirements have been satisfied by the shareholder. To the extent the Fund's distributions of net investment company taxable income are attributable to net short-term capital gains, such distributions will be treated as ordinary dividend income for the purposes of income tax reporting and will not be available to offset a shareholder's capital losses from other investments.

Distributions of net capital gains (net long-term capital gains less net short-term capital losses) are generally taxable as long-term capital gains (currently at a maximum federal rate of 20% for individual shareholders in the highest income tax bracket) regardless of the length of time that a shareholder has owned Fund shares.

Pursuant to provisions of the Health Care and Education Reconciliation Act, a 3.8% Medicare tax on net investment income (including capital gains and dividends) will also be imposed on individuals, estates and trusts, subject to certain income thresholds.

You will be taxed in the same manner whether you receive your distributions (whether of net investment company taxable income or net capital gains) in cash or reinvest them in additional Fund shares. Distributions are generally taxable when received. However, distributions declared in October, November or December to shareholders of record on a date in such a month and paid the following January are taxable as if received on December 31.

Shareholders who sell, or redeem, shares generally will have a capital gain or loss from the sale or redemption. The amount of the gain or loss and the applicable rate of federal income tax will depend generally upon the amount paid for the shares, the amount of reinvested taxable distributions, if any, the amount received from the sale or redemption and how long the shares were held by a shareholder. Any loss arising from the sale or redemption of shares held for six months or less, however, is treated as a long-term capital loss to the extent of any amounts treated as distributions of net capital gain received on such shares. In determining the holding period of such shares for this purpose, any period during which your risk of loss is offset by means of options, short sales or similar transactions is not counted. If you purchase Fund shares within 30 days before or after redeeming other Fund shares at a loss, all or part of that loss will not be deductible and will instead increase the basis of the newly purchased shares.

Shareholders will be advised annually as to the federal tax status of all distributions made by the Fund for the preceding year. Distributions by the Fund may also be subject to state and local taxes. Additional tax information may be found in the SAI.

This section assumes you are a U.S. shareholder and is also not intended to be a full discussion of federal tax laws and the effect of such laws on you. There may be other federal, state, foreign or local tax considerations applicable to a particular investor. You are urged to consult your own tax advisor.

Other Fund Policies

Telephone Transactions. If you accepted telephone transactions on your Account Application or have been authorized to perform telephone transactions by subsequent arrangement in writing with the Fund, you may be responsible for fraudulent telephone orders made to your account as long as the Fund has taken reasonable precautions to verify your identity. In addition, once you place a telephone transaction request, it cannot be canceled or modified.

Telephone trades must be received by or prior to the close of the NYSE (generally 4:00 p.m., Eastern time). Please allow sufficient time to ensure that you will be able to complete your telephone transaction prior to the close of the NYSE.

Policies of Other Financial Intermediaries. Financial intermediaries may establish policies that differ from those of the Fund. For example, the institution may charge transaction fees, set higher minimum investments or impose certain limitations on buying or selling shares in addition to those identified in this Prospectus. Please contact your financial intermediary for details.

Closing the Fund. The Board retains the right to close the Fund (or partially close the Fund) to new purchases if it is determined to be in the best interest of the Fund's shareholders. Based on market and Fund conditions, and in consultation with the Adviser, the Board may decide to close the Fund to new investors, all investors or certain classes of investors (such as fund supermarkets) at any time. If the Fund is closed to new purchases it will continue to honor redemption requests, unless the right to redeem shares has been temporarily suspended as permitted by federal law.

Householding. In an effort to decrease costs, the Fund intends to reduce the number of duplicate prospectuses and annual and semi-annual reports you receive by sending only one copy of each to those addresses shared by two or more accounts and to shareholders the Fund reasonably believes are from the same family or household. If you would like to discontinue householding for your accounts, please call toll-free at 844-406-4960 to request individual copies of these documents. Once the Fund receives notice to stop householding, the Fund will begin sending individual copies 30 days after receiving your request. This Householding policy does not apply to account statements.

Inactive Accounts. Your mutual fund account may be transferred to the state government of your state of residence if no activity occurs within your account during the "inactivity period" specified in your State's abandoned property laws.

Lost Shareholder. It is important that the Fund maintain a correct address for each investor. An incorrect address may cause an investor's account statements and other mailings to be returned to the Fund. Based upon statutory requirements for returned mail, the Fund will attempt to locate the investor or rightful owner of the account. If the Fund is unable to locate the investor, then they will determine whether the investor's account can legally be considered abandoned. The Fund is legally obligated to escheat (or transfer) abandoned property to the appropriate state's unclaimed property administrator in accordance with statutory requirements. The investor's last known address of record determines which state has jurisdiction.

Distribution of Fund Shares

The Distributor

Quasar Distributors, LLC (the “Distributor”) is located at 777 East Wisconsin Avenue, Milwaukee, Wisconsin 53202, and serves as distributor and principal underwriter to the Fund. The Distributor is a registered broker-dealer and member of the Financial Industry Regulatory Authority, Inc. Shares of the Fund are offered on a continuous basis.

Shareholder Service Plan Fees

The Trust has adopted a Shareholder Servicing Plan under which the Fund may pay a fee of up to 0.15% of the average daily net assets of each class of the Fund for services provided to the Fund by financial institutions, including the Adviser or its affiliates. The Adviser has determined that the Fund will not pay Shareholder Servicing Plan fees on either class through at least April 30, 2018.

Rule 12b-1 Distribution Fees

The Trust has adopted a Rule 12b-1 plan under which the Fund is authorized to pay to the Distributor or such other entities as approved by the Board, as compensation for the distribution-related services provided by such entities, an aggregate fee of up to 0.25% of the average daily net assets of the Investor Class. The Distributor may pay any or all amounts received under the Rule 12b-1 Plan to other persons, including the Adviser or its affiliates, for any distribution service or activity designed to retain Fund shareholders.

Because the distribution fee is paid on an ongoing basis, your investment cost over time may be higher than paying other types of sales charges.

Payments to Financial Intermediaries

The Fund may pay service fees to intermediaries, such as banks, broker-dealers, financial advisors or other financial institutions, including affiliates of the Adviser, for sub-administration, sub-transfer agency and other shareholder services associated with shareholders whose shares are held of record in omnibus accounts, other group accounts or accounts traded through registered securities clearing agents.

The Adviser, out of its own resources and without additional cost to the Fund or its shareholders, may provide additional cash payments to intermediaries who sell shares of the Fund. These payments and compensation are in addition to service fees paid by the Fund, if any. Payments are generally made to intermediaries that provide shareholder servicing, marketing support or access to sales meetings, sales representatives and management representatives of the intermediary. Payments may also be paid to intermediaries for inclusion of the Fund on a sales list, including a preferred or select sales list or in other sales programs. Compensation may be paid as an expense reimbursement in cases in which the intermediary provides shareholder services to the Fund. The Adviser may also pay cash compensation in the form of finder’s fees that vary depending on the dollar amount of the shares sold.

Financial Highlights

The financial highlights in the following tables are intended to help you understand the financial performance of the Fund's Investor Class and Institutional Class for the fiscal years indicated. Certain information reflects financial results for a single Fund share. Total returns in the tables represent the rate an investor would have earned (or lost) on an investment in the Fund (assuming reinvestment of all dividends and distributions). This information has been audited by Cohen & Company, Ltd., the Fund's independent registered public accounting firm, whose report, along with the Fund's financial statements, is included in the Fund's annual report, which is available upon request.

PRIVACY NOTICE

The Fund collects only relevant information about you that the law allows or requires it to have in order to conduct its business and properly service you. The Fund collects financial and personal information about you (“Personal Information”) directly (e.g., information on account applications and other forms, such as your name, address, and social security number, and information provided to access account information or conduct account transactions online, such as password, account number, e-mail address, and alternate telephone number), and indirectly (e.g., information about your transactions with us, such as transaction amounts, account balance and account holdings).

The Fund does not disclose any non-public personal information about its shareholders or former shareholders other than for everyday business purposes such as to process a transaction, service an account, respond to court orders and legal investigations or as otherwise permitted by law. Third parties that may receive this information include companies that provide transfer agency, technology and administrative services to the Fund, as well as the Fund’s investment adviser who is an affiliate of the Fund. If you maintain a retirement/educational custodial account directly with the Fund, we may also disclose your Personal Information to the custodian for that account for shareholder servicing purposes. The Fund limits access to your Personal Information provided to unaffiliated third parties to information necessary to carry out their assigned responsibilities to the Fund. All shareholder records will be disposed of in accordance with applicable law. The Fund maintains physical, electronic and procedural safeguards to protect your Personal Information and requires its third party service providers with access to such information to treat your Personal Information with the same high degree of confidentiality.

In the event that you hold shares of the Fund through a financial intermediary, including, but not limited to, a broker-dealer, bank, credit union or trust company, the privacy policy of your financial intermediary governs how your non-public personal information is shared with unaffiliated third parties.

TorrayResolute Small/Mid Cap Growth Fund

A series of Managed Portfolio Series

FOR MORE INFORMATION

You can find more information about the Fund in the following documents:

Statement of Additional Information

The SAI provides additional details about the investments and techniques of the Fund and certain other additional information. A current SAI is on file with the SEC and is incorporated into this Prospectus by reference. This means that the SAI is legally considered a part of this Prospectus even though it is not physically within this Prospectus.

Annual and Semi-Annual Reports

The Fund's annual and semi-annual reports provide additional information about the Fund's investments. The annual reports contain a discussion of the market conditions and investment strategies that affected the Fund's performance during the Fund's prior fiscal period.

You can obtain a free copy of these documents and the SAI, request other information, or make general inquiries about the Fund by calling the Fund (toll-free) at 844-406-4960, by visiting the Fund's website at <http://www.TorrayResolute.com> or by writing to:

TorrayResolute Small/Mid Cap Growth Fund
